Tasmanian Aboriginal culture

Hobart is a place that recognises and celebrates Tasmanian Aboriginal people, history and culture, working together towards shared goals. The <u>City of Hobart's Aboriginal Commitment and Action Plan</u> sets out the City's commitment and approach to working with Aboriginal people.

We encourage our grant recipients to acknowledge and engage with The Tasmanian Aboriginal community in the activities we support.

Acknowledgement of Country and/or Welcome to Country Both a Welcome to Country and an Acknowledgement of Country recognise the continuing connection Aboriginal people have to their land. Traditionally used as a way to grant permission to cross country boundaries, these remain important symbolic gestures today.

Some Aboriginal people will feel uncomfortable attending an event where no Welcome or Acknowledgement is offered and so it is important to consider whether providing one is appropriate.

These ceremonies and statements offer a valuable moment to reflect and consider the 40 000+ years of history and culture in this place and to pay respect to Aboriginal people.

Select formalities that the activity will include in relation to Tasmania's Aboriginal heritage. *

- Welcome to Country
- Acknowledgement of Country
- O Both an Acknowledgement of Country and a Welcome to Country
- O The activity will not have any form of official formalities

Accessibility

Regardless of background, gender, identity or life situation, the City believes our community should have the opportunity to connect, share and express one's identity.

One of the fundamental principles of the grants program is to encourage all of our community with the opportunity to be involved or attend the activities we support.

Applicants should endeavour to ensure that their activity will be accessible for people of all abilities. For more information visit our <u>Equal Access webpage</u>.

Please keep the costs associated with delivering an added services in mind when developing your budget.

Will the activity include any of the following *

☐ Venue: entrance is step-free and a lift is available if the activity is not on the ground
floor
☐ Invitation: is in an accessible format and asks participants "Please inform us of any
dietary and/or access requirements"
☐ Wayfinding and signage: include an access map denoting paths of travel, location of
accessible toilets, prominent signage, green areas for assistive animals (to toilet during the
activity)
☐ Inclusiveness: book Auslan interpreters, provide captions on videos, provide viewing

☐ Space arrangements: allow sufficient space between aisles and leave gaps in seating for
people using mobility aids

Applicants should endeavour to ensure that their activity will be accessible for people of all abilities.

Sustainability

All activities funded through the grants program must commit to reducing their environmental impact and improving waste management.

Applicants are encouraged to consider their commitment to sustainable practices as part of the activity, including encouraging the use of public transport to and from the activity, providing recycling facilities, reducing single-use plastics, reducing printed collateral, completing a waste audit report and establishing improvement targets.

The Single-use plastics by-law is enforceable from 1 July 2021. To find out how this may affect your activity, please visit our <u>webpage</u>.

The <u>City of Hobart Waste Management Strategy 2015 - 2030</u> encourages all entities affiliated with the City of Hobart to support our endeavour to achieve **zero waste** to landfills by 2030.

As a minimum, grant recipients are required to implement strategies that are aimed at:

- **Reducing waste in food services at events**. This means that if food is sold or given away in disposable containers, only certified compostable containers and utensils may be provided to patrons.
- **Reducing land-fill**. This means that the use and distribution of plastic, "micro-bead" and glitter products (such as balloons, flags and promotional paraphernalia and plastic single-use water bottles) will not be undertaken as part of the activity.

Describe how the organisation will unde	rtake waste management at your activity.
