Tasmanian Aboriginal culture

Hobart is a place that recognises and celebrates Tasmanian Aboriginal people, history and culture, working together towards shared goals. The [City of Hobart's Aboriginal Commitment and Action Plan](#) sets out the City's commitment and approach to working with Aboriginal people.

We encourage our grant recipients to acknowledge and engage with The Tasmanian Aboriginal community in the activities we support.

Acknowledgement of Country and/or Welcome to Country Both a Welcome to Country and an Acknowledgement of Country recognise the continuing connection Aboriginal people have to their land. Traditionally used as a way to grant permission to cross country boundaries, these remain important symbolic gestures today.

Event Partnership Grant Application

Form Preview

Some Aboriginal people will feel uncomfortable attending an event where no Welcome or Acknowledgement is offered and so it is important to consider whether providing one is appropriate.

These ceremonies and statements offer a valuable moment to reflect and consider the 40 000+ years of history and culture in this place and to pay respect to Aboriginal people.

Select formalities that the event will include in relation to Tasmania's Aboriginal heritage. *

- ☐ Welcome to Country
- ☐ Acknowledgement of Country
- ☐ Both an Acknowledgement of Country and a Welcome to Country
- ☐ The activity will not have any form of official formalities

Outline any additional Aboriginal cultural programming that will involve Aboriginal history and culture. *

It is important to demonstrate consultation with the Tasmanian Aboriginal community. For more information, please visit the City's [Aboriginal Programs webpage](#) or contact us.

Welcome to Country

A Welcome to Country is a cultural practice performed by a Traditional Owner of the local region to welcome visitors to their Traditional Country.

A local Aboriginal Land Council or Native Title representative body can advise or assist when making arrangements for a Welcome to Country. Traditional Owners may have a preference for a Welcome to Country and it is important that organisers ensure Traditional Owners are supported before and during their participation.

A Welcome to Country can take place through many forms. It can include songs, dances, smoking ceremonies or speeches in traditional language or English.

For more information regarding the difference between an Acknowledgement of Country and a Welcome to Country, go to: Indigenous.gov.au.

Describe the arrangements you have made for a Welcome to Country *

Accessibility

Regardless of background, gender, identity or life situation, the City believes our community should have the opportunity to connect, share and express one's identity.

One of the fundamental principles of the grants program is to encourage all of our community with the opportunity to be involved or attend the activities we support.

Applicants should endeavour to ensure that their activity will be accessible for people of all abilities. For more information visit our [Equal Access webpage](#).

Will the event include any of the following *

Event Partnership Grant Application

Form Preview

- ☐ Venue: entrance is step-free and a lift is available if the activity is not on the ground floor
- ☐ Invitation: is in an accessible format and asks participants "Please inform us of any dietary and/or access requirements"
- ☐ Wayfinding and signage: include an access map denoting paths of travel, location of accessible toilets, prominent signage, green areas for assistive animals (to toilet during the activity)

Applicants should endeavour to ensure that their activity will be accessible for people of all abilities. For more information visit our [Equal Access webpage](#).

Outline any additional accessibility measures that the event will implement *

Sustainability

All activities funded through the grants program must commit to reducing their environmental impact and improving waste management.

Applicants are encouraged to consider their commitment to sustainable practices as part of the activity, including encouraging the use of public transport to and from the activity, providing recycling facilities, reducing single-use plastics, reducing printed collateral, completing a waste audit report and establishing improvement targets.

The Single-use plastics by-law is enforceable from 1 July 2021. To find out how this may affect your activity, please visit our [webpage](#).

The [City of Hobart Waste Management Strategy 2015 - 2030](#) encourages all entities affiliated with the City of Hobart to support our endeavour to achieve **zero waste** to landfills by 2030.

As a minimum, grant recipients are required to implement strategies that are aimed at:

- **Reducing waste in food services at events.** This means that if food is sold or given away in disposable containers, only certified compostable containers and utensils may be provided to patrons.
- **Reducing land-fill.** This means that the use and distribution of plastic, "micro-bead" and glitter products (such as balloons, flags and promotional paraphernalia and plastic single-use water bottles) will not be undertaken as part of the event.

Describe how the organisation will undertake waste management at your event. *

This can include describing the potential environmental impacts of the event and how you will manage and minimise waste creation at the event.

Describe how the organisation will encourage and enable attendees to reduce their own environmental impact. *
